

# BICYCLE POLICY SCOREBOARD

In the lead up to the election, BISA asked parties to commit to a RAPID and SIGNIFANT increase in funding for everyday riders.

Here's how the parties responded to our 5 proposals.

**Vote wisely this election for happy, healthy cities, towns and people!**

## The Greens

- Support BISA's 5 proposals including a significant increase in funding
- Only party with a Cycling, Walking and Transport policy
- Will meet in the week following the election

## The Dignity Party

- Support BISA's 5 proposals including a significant increase in funding
- Happy to meet to talk post election

## Labour

- Responded - broad support for transport cycling
- No committment to support any of BISA's 5 proposals
- NO FUNDING COMMITMENTS for transport cycling or policy
- \$28 million for recreational walking and cycling in parks

## Liberal

- No response to BISA's proposals
- NO FUNDING COMMITMENTS for transport cycling or policy
- Bike tourism - Will create the Great Southern Bike Trail from Adelaide to Melbourne with local bike loops

## SA Best

- No response from party.
- Unley candidate responde - supportive of cycling for transport, and will promote cycling with transport department
- Party - Favour completing the Amy Gillett Bikeway
