

## **Bikeways motions, ACC Council meeting 19 February 2019**

Councillor Donovan moved that

“Administration:

1. Provide a workshop briefing to Councillors by 31 March 2019 which contains:
  - 1.1. A summary of the Bikeways project to date
  - 1.2. An overview of Bikeways as part of Council’s Integrated Transport Strategy
  - 1.3. Opportunities to discuss options for the dedicated East-West bikeway, and
  - 1.4. A proposed consultation strategy for businesses, residents, and visitors to the city
2. Commence the consultation on delivery of the East West bike way in April 2019.”

Councillor Hyde’s successful amendment:

“That Administration:

1. Provide a workshop briefing to Councillors by 31 March 2019 which contains:
  - 1.1. A summary of the Bikeways project to date
  - 1.2. An overview of Bikeways as part of Council’s Integrated Transport Strategy
  - 1.3. Opportunities to discuss options for the dedicated East-West bikeway, and
  - 1.4. Pays consideration to reroute or find new funding to support a separated bike way as part of the Tram Upgrade on King William St
  - 1.5. A proposed consultation strategy for business, property owners, residents and visitors to the city, that may be used as a framework for future cycling infrastructure works.
2. Table for the Next Capital City Committee Meeting an item to discuss Smart Move 2.0 in partnership with the State Government. “
