New underpass off the Tapa Martinthi Yala which takes you under the Northern Connector to the salt pans, mangroves and St Kilda. **8.5km's away**

Good service road track all the way to St Kilda

The underpass that leads to the service road to St Kilda is located **290 metres** away from the turn off to Mawson Lakes (Dry Creek Trail)

You can see it from the Dry Creek turn off facing South. (left hand side of picture)

Turn off the Tapa to go under

Looking back after crossing under

Water very close to the track nearing St Kilda rd junction

end of track...St Kilda rd next to the electricity poles in the distance

Track leading to St Kilda. St Kilda rd a little to the right.
